

The William Scott Danley family had its beginning on November 22, 1972, when Esther Deon Cameron (Misty) and William Scott Danley were sealed in the Salt Lake Temple.

Misty and Scott met at B.Y.U. where they attended the same branch and had many of the same classes. Scott majored in zoology, and Misty majored in microbiology. They soon left Provo for Houston, Texas where Scott attended Dental School. The Danleys spent 3½ years in Houston, during which time two sons were born into the family; Jeffrey Cameron and Jason Earle.

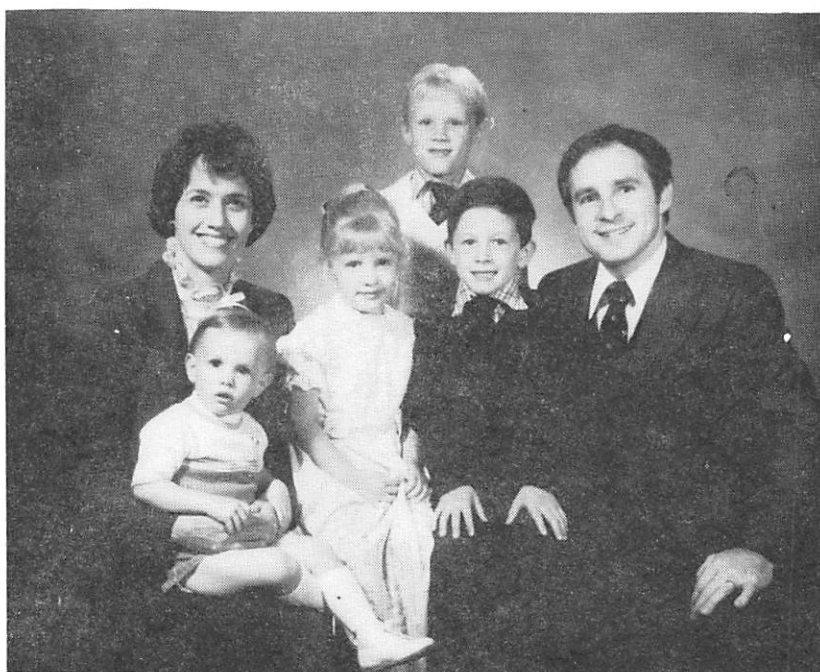

In January of 1977, the Danleys moved to Pine Ridge, South Dakota, on the Sioux Indian Reservation. Scott worked as a Dentist for the Indian Health Service, and the family was blessed with another child. This time a girl, Deon Elizabeth.

In Januray of 1979, the Danleys moved to Heber City in order to set up a family practice and raise their family. Another son, David Scott was born in 1980, and their fifth child, Malinda was born this summer.

All members of the family have varied talents and interests. We especially enjoy music; several members play the piano, and Scott enjoys guitar and singing. The Danleys all love sports, and often ride snowmobiles together. Our summer garden is a yearly family project, and Misty spends many hours canning fruits and vegetables, with lots of help from the children.

As a family we love to do things together, and are so blessed and happy to be in the Heber 9th Ward.

ALAN AND KATHY DAY    1294 N.Valley Hills Blvd.    654-3106

Alan was born in Salt Lake City and was raised in Bountiful. His father worked in the grocery business. Alan joined him in work there at an early age and he has remained in it ever since. He served a mission to Chili and returned to attend B.Y.U. for one semester and then felt for his career he could learn more from practical experience. Alan enjoys basketball, snow and water skiing, running rivers and camping.

Kathy was born in Idaho Falls, Idaho but moved to Bountiful when she was 3 and was raised there. After attending high school at Bountiful High, she attended B.Y.U. Kathy enjoys sewing, water and snow skiing and being a mother.

Alan and Kathy were neighbors in Bountiful, but had little to do with each other while they were growing up because of there three year age difference. They became reacquainted with each other at B.Y.U. A year later they were married in the Salt Lake Temple. They made their home in Vernal and held their first five years of marriage there. Their three lovely daughters were all born in Vernal. Kristal, Kimberly, and Katrina. These special spirits have added so much to their parents lives. Shortly after that we moved to Heber and we are really enjoying being members of the Heber 9th Ward.
